## VOLUNTEER TESTIMONIAL

### Alexander Piquer

Client Engagement Director within the Burns & McDonnell  
1898 & Co. Technology Consulting group

### Testimonial

After a couple of years as a member, volunteering in the recent SAM+ update working group provided a great experience to connect with peers around the world with similar interests in asset management and to gain some new perspective on how others are approaching this evolving field. I look forward to participating in future working groups.
